# Leader in Me®

Love Chapel Elementary School is proud to be a Leader in Me School. The Leader in Me process began last year during the 2019-2020 school year. Love Chapel Elementary has begun the first year implementation of a school leadership program built on Stephen Covey's *7 Habits of Highly Effective People*. *The 7 Habits* is a combination of personal and interpersonal principles, such as responsibility, vision, integrity, teamwork, collaboration and renewal that creates an environment unique to Love Chapel. The *7 Habits* are taught to students in an age-appropriate format within *The Leader in Me* process.

Our teachers and staff have had 4 days of training on the 7 Habits of Highly Effective People, Leadership, and completed a book study. Additional training will continue over the next two years. Staff members will continue learning how to make leadership development a part of the everyday student experience, including teaching leadership principles in meaningful ways, creating a culture of shared leadership within the school, and helping students take more ownership of their academic learning and goal achievement.

*The Leader in Me* program is a whole-school transformation model developed in partnership with educators that empowers students. It teaches 21st century leadership and life skills and creates a culture of student empowerment based on the idea that every child can be a leader. Developing a culture of leadership in our school is about helping students be the leaders of their own lives. *The Leader in Me* helps them identify their own unique talents and abilities and encourages them to make a positive difference in the world.

As students come back to school this fall, the first thing they will notice is some of the changes that teachers and staff have made to the building this summer. Our school has added "*Leader in Me*" quotes and artwork. Also for the first time, students will become fully immersed in "*The Leader in Me*" curriculum. Students will be given the opportunities to show their leadership skills to you, our Love Chapel family, and our community throughout the school year. We are very excited!

## **VISION STATEMENT**

Love Chapel Elementary will Engage...Equip...Empower Students for Excellence

## **MISSION STATEMENT**

The mission of Love Chapel Elementary is to help students achieve academic excellence in core curriculum areas in a safe, accepting, and loving environment that is conducive to learning as measured by teacher observation, evaluation and state testing.

## **BELIEFS**

We believe that...

- \* Student learning is the primary responsibility of the school.
- \* All students are individuals who can learn, achieve, and succeed.
- \* Students learn in different ways and should be provided with a variety of instructional approaches to support their learning.
- \* Students learn best when they are actively engaged in the learning process.
- \* The educational process of our school is shaped by the adherence to system, state, and federal laws and regulations.
- \* Assessment data and curriculum standards are driving forces behind student achievement.
- \* The school will provide opportunities to challenge students, develop critical thinking skills, and have high expectations for academic success.

## **CODE OF STUDENT CONDUCT**

While attending Love Chapel Elementary School, students shall...

- \* Respect each other, all employees and the building itself,
- \* Follow all instructions the first time that they are given,
- \* Demonstrate personal responsibility and good citizenship at all times
- \* Strive to reach their full potential.

## **ATTENDANCE**

Attendance is a key factor in student achievement and, therefore, students are expected to be present each day school is in session. The Board of Education has set, in compliance with the State Department of Education requirements, a daily student attendance goal of 95%. Absences shall be classified as either excused or unexcused as determined by the principal. Excused absences include:

1. Personal illness
2. Illness of immediate family
3. Death of immediate family member
4. Medical appointments
5. Religious Observances
6. Court subpoenas/not guilty

A child is marked unexcused until we have written excuse signed by the parent or guardian that meets the above criteria or has an excuse provided by a Doctor's office. If a student is sick or injured and will have to be absent from school 10 or more days, parents should contact the school so homebound services can be arranged.

Please note, that 3 Unexcused Tardies equals 1 unexcused absence. **In case of tardiness, the parent MUST sign their child in with the school secretary and state the reason for tardiness. If it is not one of the above reasons, then the tardy is unexcused.**

Parents or guardians will be contacted by letter or phone for students who have excessive absences or tardies. If attendance does not improve, the attendance Supervisor will be informed. Unicoi County Schools' Truancy Board has been established to deal with parents/guardians and students that have absenteeism problems. The process is as follows:

- 1) When absences and/or tardies exceed a number that interferes with the child's progress, a letter will be sent to parents informing them of the number in our records. If improvement is not shown, a referral will be made by the principal after five (5) days of UNEXCUSED absences
- 2) A letter will be mailed to the parent/guardian with the date and time the student and parent/guardian are expected to appear before the Truancy Board.
- 3) After meeting with the student and parent/guardian, the truancy board will determine the necessary action to take.
- 4) The Truancy Board will meet at the school during school hours.
- 5) At least one legal guardian/parent must be in attendance.

Eligibility for perfect attendance awards is based on physical presence all school year and no absences, tardiness, or early dismissals. A tardy is defined as coming after 8:00 a.m. Early dismissal is leaving school any time prior to 3:00 p.m.

**\* Parents, please call school by 8:30 A.M. if your child is going to be absent that day. You may arrange to pick up any assignments from the day missed at the office.**

## **BUS CONDUCT and EXPECTATIONS**

All school rules apply while students are on the bus. Transportation is provided as a convenience for the families of our students. Students who do not follow school and bus rules will lose the privilege of riding the bus for a period of time. Students are expected to be courteous to each other and the driver, remain seated, speak quietly, and follow all directions given by the driver. These rules will be enforced in order to maintain the safety of ALL students who ride the bus.

The following consequences will be enforced for bus referrals to the office:

First offense: punishment, parent notice, and assigned seat by driver

Second offense: suspension of bus privileges (length determined by principal)

Third offense: suspension of bus privileges for up to the remainder of the school year.

Each year students come to the office to arrange going home with someone else. Due to the many safety concerns that arise from this situation, students will not be allowed to leave the bus at any location other than their normal stop without written permission signed by the family and Mr. Evely. **Phone calls will not be made to ask permission.**

## **CAFETERIA BREAKFAST and LUNCH**

Unicoi County School Food Service receives funding through the United States Department of Agriculture (USDA). Love Chapel and Unicoi County Schools are pleased to offer a free breakfast to all students who attend. Students who wish to participate must take enough offerings to satisfy meal requirements. Second breakfasts or additional milks will require payment at the usual charges.

**Breakfast will be served each morning from 7:10 to 7:45.**

Lunch prices for the 2020 – 2021 school year will remain at \$2.00. All students must take the necessary items to meet the nutrition guidelines of a full meal, or they will be charged A La Carte prices. Parents may check their student's lunch account balance through our on-line grade book account using your Skyward log-in and password. The following chart shows meal prices and A La Carte prices for this school year:

Only those persons named on the Emergency Form will be permitted to pick up students. Parents dropping students off without signing them in will be counted against the student as an **unexcused tardy.**

## CHILD ABUSE & NEGLECT

All personnel shall be alert for any evidence of child abuse or neglect. Child abuse is defined as any wound, injury, disability, or physical or mental condition which is of such nature

as to reasonably indicate that it has been caused by brutality, abuse, or neglect or which on the basis of available information reasonably appears to have been caused by such. Staff members having knowledge or suspicion of any child who is suffering from abuse or neglect shall report such harm immediately. The report shall be made to the judge having juvenile jurisdiction, the office of the chief law-enforcement official where the child resides, or to the Department of Children's Services in a manner specified by the department, either by contacting a local representative of the department or by utilizing the department's centralized intake procedure where applicable.

### **EMERGENCY FORMS**

Updated emergency contact information is critical in the case of an emergency. ***We cannot over emphasize the importance of these forms.*** Parents must complete this form to be on file at the school.

All forms may be updated in Skyward by the legal parent/guardian. Parents must have a valid email address in Skyward to have student access.

### **HEAD LICE POLICY – 6.4031**

The Pediculosis Management Program includes routine school-wide screening for head lice and their nits, scheduled lice case tracking and follow-up. Each year, between 8 and 12 million children acquire head lice. If your child is constantly itching, check the scalp for lice or eggs (nits). The nits will appear as white specks stuck to the hair near the scalp and will not slide off the hair easily. If you suspect that your child has head lice, please do not send them to school. Check with the school nurse, Mrs. Garland, at 743-1657 for proper instruction on how to treat head lice. If your child is found to have lice at school, you will be contacted to pick up your child to be treated. Students sent home with lice must be brought to the office for a check prior to being readmitted to class. **One day's absence will be excused.** After the first day, all other absences will be unexcused.

### **HOMEWORK POLICY**

Homework is generally assigned every school day. Homework will be communicated by the teacher using the orange communication folder or Class Dojo. **All classes will require that students read every evening for a minimum of 15 minutes.** Reading achievement is the key to all student academic success. Reading, language, and math skills must be practiced for improvement. Please look for additional information from your child's teacher. Homework varies from teacher to teacher. The purpose of homework is not only to reinforce and practice concepts learned throughout the school day, but also to develop a sense of responsibility. If you

have questions regarding homework please message, call, or make an appointment to discuss this with your child's teacher.

Teachers will communicate student homework, assignments, and projects using Class Dojo and the Orange Home/School connection folder. Parents should check their child's folder each night.

### **MEDICINE POLICY – 6.405**

Oral medications will not be administered to children by school personnel, except by the school nurse. If, under exceptional circumstances, a child is required to take prescribed oral medications or inhalers during school hours and the parent cannot be at school to administer the medications, the following procedure must be followed:

1. Written parent/guardian permission must be given.
2. Physician's prescription, instructions, and signature with reason for giving the medication and the beginning and ending dates must be provided.

Your cooperation will enable us to meet the needs of our students. The forms may be obtained from the school office.

### **PARENT CONFERENCES**

Parent Conferences are very important to the success of your child. The Board of Education sets aside 2 dates each school year for school-wide parent conferences. The school or parent may call or write and request an additional meeting at any time. Please make an appointment with your child's teacher to visit to ensure a private and productive meeting. Teachers are not available to meet every day and will not be able to meet while their classes are in session. Parents must report to the school office for all conferences. Parent Conferences will be held on September 24<sup>th</sup> and March 18<sup>th</sup>.

### **PARENT INVOLVEMENT & COMMUNICATION**

At Love Chapel we highly value parental involvement. We will strive to work together for the benefit of all our students. Love Chapel has a parental involvement compact that meets the

guidelines outlined by Federal Programs and Title I Funding. The compact will be sent out within the first couple of weeks of school for parents to review and sign. We welcome any suggestions or concerns that you may have.

Parents that wish to be involved with the Parent-Teacher Organization should complete the volunteer survey that is sent home the 2<sup>nd</sup> week of school. **They should also attend PTO Open House on August 28<sup>th</sup>.**

Communication between students, parents, and teachers is vital to the success of all students. As a school we will strive to maintain open lines of communication between home and the school. Love Chapel will promote an “open door” policy and actively seek to have parents participate in school activities. Throughout the school year we will strive to have close contact with 100% of our parents as often as possible. We also request that you help with this process. You may stay in contact with us by:

## **QUALIFICATIONS OF TEACHERS AND PARAPROFESSIONALS**

The Every Student Succeeds Act (ESSA) requires all students be taught by fully certified teachers. Tennessee's state licensure requirements still require a bachelor's degree and demonstrated content knowledge. Verification of licensure and certifications is maintained at the school system central office.

You as a legal parent/guardian, have the right to request information regarding professional qualifications of your child's teacher(s). Upon your request, the school system will provide you with the following information: whether a teacher is teaching under emergency status for which certification has been waived, and the degree major of a teacher and any other graduate degree or certification the teacher may hold. Under ESSA, you will be promptly informed if for any reason a non-highly qualified teacher teaches your child for four or more consecutive weeks.

ESSA also requires that instructional paraprofessionals in Title I schools demonstrate highly qualified status by passing a test to demonstrate knowledge of and the ability to assist in the instruction, having completed two years of higher education, or having obtained an associate's or higher degree. All instructional paraprofessionals at Unicoi County High School have demonstrated highly qualified status. You have the right to request information about the paraprofessionals that may work with your child. Verification of highly qualified status is maintained at the school system central office.

## **ACCOUNTABILITY**

2015-16 was the transition year for TNReady and Tennessee suspended testing in grades 3-8. Moreover, there are not accountability ratings available due to the transition. At the time of publication, test results were not available for the 2016-2017 testing cycle.

While the federal government requires states to maintain rigorous state-established top-line goals, it is also the state's responsibility to determine the interim measures that will lead to achieving its top-line goals. The state defines measurement tools, including how to measure growth in outcomes and reduce gaps in student achievement. Additionally, the state sets district goals, measures district and school level progress annually (disaggregated by historically underserved student groups), and reports district and school results publicly. Each year after we receive our system's report card from the state, we will inform you about each school's accountability status, as well as how the achievement of the students compares to those in the system and the state.

You will also be provided information on the achievement level of your child on each of the state academic assessments as soon as is practicably possible after we receive the assessment results.
